## **RE: 30<sup>th</sup> Anniversary of the LA Riots Commemoration**

To the members of FACELA and SAIGU who have gathered today on this special occasion:

I wanted to thank FACELA and SAIGU for putting this event together to commemorate the 30<sup>th</sup> anniversary of the L.A. Riots.

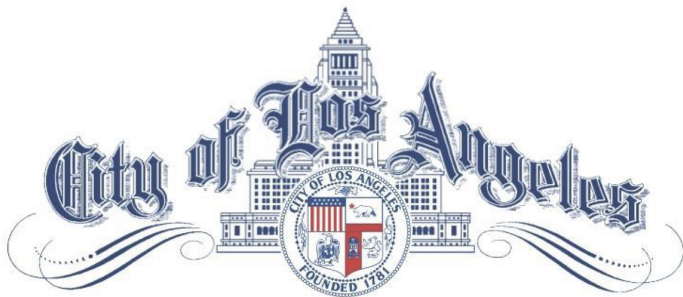

Thirty years ago, the City of Los Angeles was torn apart by racial and economic divisions, which led to financial and emotional suffering of the Korean American community. Despite these hardships, FACELA and SAIGU have worked to heal these divisions and create prosperity in Los Angeles across all lines. This effort has shown the indomitable strength and resilience of the Los Angeles Korean community – a trait that we remember as we reflect on these events 30 years later. FACELA and SAIGU have been vital resources in supporting and advocating for the Asian American community in Los Angeles.

I am pleased to congratulate this year's honorees for their service and dedication to community. Your work is greatly appreciated and sets a model for future leaders to come.

Sincerely,

A handwritten signature in black ink that reads 'T. Umberg'. The signature is fluid and cursive, with the first letter 'T' being particularly large and stylized.

Dear Friends,

On behalf of the City of Los Angeles, welcome to the 2022 SAIGU Campaign commemorating the 30<sup>th</sup> anniversary of the Los Angeles Riots, hosted by Faith and Community Empowerment (FACE).

For over 20 decades, FACE has been training faith leaders to better aid underserved communities. I commend FACE for their commitment during these unprecedented times. Thank you for embodying the Angeleno spirit and making our amazing City of Angels shine brighter every day.

I send my best wishes for a memorable event and continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Garcetti", with a stylized flourish at the end.

# MITCH O'FARRELL

COUNCILMEMBER, 13TH DISTRICT ★ CITY OF LOS ANGELES

April 29, 2022

Dear Friends:

On behalf of Los Angeles City Council District 13, I would like to welcome you to the Service Advocate Inspire Give Unite (SAIGU) 30 Campaign brought to you by Faith and Community Empowerment (FACE).

April 29 marks the 30th anniversary of the Los Angeles Riots, a tragic time in our City's history when many communities were senselessly pitted against each other, in addition to the loss of lives as well as livelihoods.

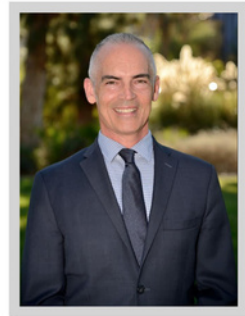

The events on and after April 29 taught us that rather than practicing division, we must strive to build bridges of understanding and put an end to the myths that keep communities divided. FACE is a leader in these efforts and is committed to capturing legacy stories and voices so that we may learn and heal.

I commend FACE on its work to empower and strengthen participation within the Korean and Asian American communities, as well as its contributions and influence through faith-based and community partnerships.

Thank you for creating a platform to discuss and foster understanding so that we may learn from history.

With kind regards,

**MITCH O'FARRELL**  
Council President Pro Tempore  
Councilmember, 13th District  
Los Angeles City Council

April 29, 2022

Greetings,

I would like to thank FACELA for their efforts in launching the SAIGU campaign to commemorate the 30th year of 1992 Los Angeles Riots.

This year marks the 30-year anniversary of the Los Angeles riots, one of the most divisive times in our city's history. 53 people lost their lives, 2,400 people were injured, and there was nearly \$1 billion in property damage, half of which was sustained by the Korean American community.

The civil unrest was a watershed moment for Los Angeles, and it brought attention to issues of economic inequality, police brutality, and racism that have plagued our communities for far too long.

Since these tragic events happened 30 years ago, Los Angeles has rebuilt and grown into one of the most diverse cities in the country, thanks to the work of community activists, local leaders, and grassroots organizations.

As we commemorate this 30-year anniversary, we honor the innocent victims who lost their lives and livelihoods and recommit to strengthening relationships among our many diverse communities, standing up against hate and racism, and denouncing injustice in all its forms.

While there is still more work to do, I'm certain we will build on the progress we've made so far to make Los Angeles a home for everyone and celebrate our city's diversity as a source of strength and pride.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez". The signature is fluid and cursive, with the first name "Jimmy" and last name "Gomez" clearly legible.

## **HAN SUNG CHANG**

### **6TH PRESIDENT OF THE KOREAN YOUNG ADULT TEAM**

In 1991, Han Sung Chang joined a youth group that provided protection services to Korean Americans, especially shop owners who were most at risk when they closed their shops at night. This group rapidly expanded from 24 members to over 360 members shortly after Saigu started. In the absence of any intervention from the police and fire department, the youth group began to move out to protect Koreatown and the community. Reflecting on the events of the LA riots, Han Sung calls for the Korean American community to unite as one, in order to prevent tragedies of a similar kind.

## **PAULINE NISHIDA**

### **CONVENER FOR CRU LA**

A third generation Japanese American, Pauline grew up in the Crenshaw area of Los Angeles. After graduating from Pepperdine University in Business Administration, Pauline enjoyed a successful career in Human Resources management.

Pauline realized God gave her a heart for cities and the diversity of people living in them...yet, it came by total surprise that God would call her to NYC as an urban missionary, first with the most well networked prayer ministry, then the 9/11 response team of Cru, followed by City ministry.

Ten years later, God called Pauline back across country to serve with Cru in Greater Los Angeles to Make Jesus Known, Multiply the Church, Serve the City...and it's all about partnerships, partnerships, partnerships! Especially with today's polarization, what a significant time & place to pray & reach out with the transforming power of the Gospel!

## **RUBEN HERNANDEZ**

### **FOUNDER OF UDLA**

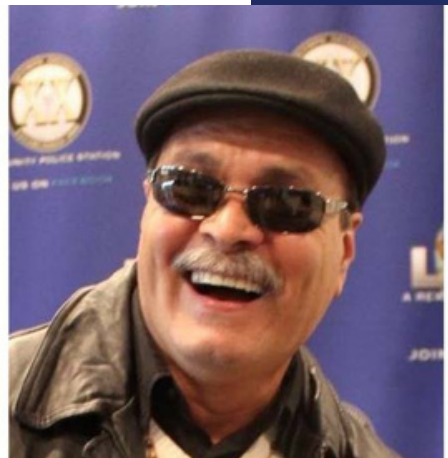

My name is Ruben Hemander and I came to the United States at the age of 20. Three years later, a tragedy struck my life that forever changed me: I became blind.

But as time continues to go, in retrospect, I have realized that it has been nothing but a blessing in my life. Every morning when I wake up remind myself the purpose that I have established for myself in this journey called life. That purpose is to have time to serve the Lord, to serve my family, and to serve my community with honor, respect and love.

This plan of action that I have established in my life is a wonderful tool that has helped me to conquer the mountain top in many areas of my life.

Such actions include establishing UDLA in 1974, founding North Whitter Neighborhood Watch more than 40 years ago, having found and married the love of my life, raising two lovely daughters while in the process of receiving a psychology degree from UCLA, and building a family composed of many friends.

Another great teacher, friend and counselor has been my blindness, which came to me at age of 23 due to a gunshot to the head. Yes, blindness pushed me to utilize all my talents in order for me to rehabilitate myself and to develop, with the help Lord, a new human being out of me with a different way of seeing things in life.
